As heard on Acoustic Blue’s recording “Empty House”.

Chorus: I don’t want to miss-communicate with you
I want to tell you the truth
About how I’ve been feeling dear
And what I’m going through
All I can say is I love you
All I can say is I love you

- 1) Sometimes I sound a little mean, or come on a little strong
I may think I’m right, even when I am wrong
Don’t listen to the words I’m saying, just remember when the chips start to fall
The one thing that really matters, know that I’ll be there through it all

Chorus: I don’t want to miss-communicate with you
I want to tell you the truth
About how I’ve been feeling dear
And what I’m going through
All I can say is I love you
All I can say is I love you

- 2) Might be a look on my face, you don’t particularly like
Or a habit that I have, when I’m dead asleep at night
Well don’t judge me on the way I’m looking, don’t analyze my every negative
Just remember I’m the boy that needs you, and cherish all the love I give

Chorus: I don’t want to miss-communicate with you
I want to tell you the truth
About how I’ve been feeling dear
And what I’m going through
All I can say is I love you
All I can say is I love you
All I can say is I love you
All I can say is I love you
