As heard on Acoustic Blue’s recording “Empty House”.

Chorus: The floor, is creaking in the hallway  
My tears are on the window pane  
The light, just went out, on the front porch  
An empty house, is all that remains

1) It’s just me, in this chair, by the window  
Listening to the silence, all around  
This old house, don’t hold our love, no longer  
And I think the two of us are falling down

2) This house was built, on a strong foundation  
Like our love, so many years ago  
With time, our love has slowly crumbled  
And this house has been weathered in the storm

Chorus: The floor, is creaking in the hallway  
My tears are on the window pane  
The light, just went out, on the front porch  
An empty house, is all that remains

3) You were all, I thought I ever wanted  
It seemed we had it all, from the start  
In our home, we built a life, together  
Now it’s just a place, to hide, my broken heart

Chorus: The floor, is creaking in the hallway  
My tears are on the window pane  
The light, just went out, on the front porch  
An empty house, is all that remains

An empty house, is all that remains
