As heard on Acoustic Blue’s recording “Empty House”.

- 1) Sometimes I sit and think about the days when I was young,
Sometimes I even want to go back home,
I miss the mountain memories when I was just a child,
Those carefree days don’t seem so long ago

- 2) The old home town just ain’t the same since I have moved away,
I guess a lot of things are changing with the times,
When I get to feelin’ homesick, I pass the old place by,
And stir the memory of it’s footprint in my mind,

Chorus: Livin’ on, (livin’ on) mountain memories,
 They take me back to when I was a boy,
 Livin’ on, (livin’ on) mountain memories,
 It seems like only days since I been gone,
