

“Someday You’ll Want Me”

As heard on Acoustic Blue’s recording “Empty House”.

1) My love for you’s not strong enough,
To prove to you, although it’s tough,
Your leaving, hurts me through and through,
So hard I’ve tried to forgive you,
But find it’s best to just forget you,
So here I am to say goodbye to you,

2) So take back your promises,
Give back the kisses,
Leave my old guitar in the hall,
Tear up those old letters,
You know this could be better,
But this is what you wanted after all,

Chorus: Someday you’ll want me to want you again,
The way I did when our love was new,
When you come crawling back to me again,
You’ll find that my love’s with someone new,
